July 31, 2016 Liabilities = \$193
July 31, 2016 Members: 165

Thank you,
Sharon Kelly, Treasurer

RENT THE YACHT CLUB

Do you have an event or celebration planned and are looking for the perfect location? The Yacht Club just might be the place! For non-members, the Main Hall rents for \$500, and has twelve 72" round tables and thirteen 6'x30" rectangular tables available for use, along with 138 chairs. The Kitchen rents for \$200, and includes the use of our dishes, flatware and stove/ovens. The Graham Room rents for \$150. Members who have been a Yacht Club member for over one year can get a 50% discount for personal events. Check out our calendar at <http://www.juneauyc.org/calendar/> and complete the online rental form to reserve the space. Contact Barbara, the rental agent, at 321-0788 for more information.

Commodore's Corner

This summer at the Yacht Club has been a busy time. Along with a multitude of rentals and our regularly scheduled social events, the Yacht Club hosted its first ever July 3rd Independence Day celebration and fireworks party. It was by all accounts a huge success! I am sure that Tara Harris is looking forward to having a number of people step up and help her plan next year's party.

Unfortunately, our Power Squadron raft-up events were not well attended: somehow, we need to coordinate good weather with peoples' schedules. A big "thank you" from the Territorial Sportsmen to those Yacht Club members who braved the weather this year to be Derby Patrol for the 70th annual Golden North Salmon Derby. We had a couple of days with small craft advisories and it was important to have our experienced boaters out on the water.

2016 has seen a number of new improvements to our facility. You will notice that the front stair railing have been replaced, and a number of small things like new door pulls and lighting sconces in the main hall make the facility look more up to date. There are now stairs on the deck, which has had a lot of use this year.

Thanks to Chris Roust and to our Building Committee for making these things happen. The next big project will be replacing the floor in the main hall - we are in the process of getting bids for the materials. Please plan to help with a volunteer work-day sometime this fall.

As we near the end of summer, it is time to look forward to our fall season of dinners and programs. This issue of the Hailer contains the dinner committees for the rest of 2016; please make sure that this schedule matches yours and that you will be available to help.

As always, your membership and continued involvement in the Juneau Yacht Club are valuable to us all. Please consider signing up to help in the bar with a Thursday social or just show up for the social and meet your fellow members. We can always use additional help with maintenance and building projects around the facility. Also, it is time to start thinking about who will be our officers and board for 2017. If you are interested in serving on the board or volunteering in any capacity, please contact me or any board member and let us know.

Enjoy the rest of your summer! Safe boating and good fishing to all!

Jerry

Jerry Burnett, Commodore
