The Juneau Yacht Club has regular Member Dinner Meetings with programs each month from September to May and weekly Socials with light dinners each Thursday throughout the year.

For many years, the Juneau Yacht Club has been requested to provide boat patrols throughout the Territorial Sportsmen’s Golden North Salmon Derby held in August of each year.

The Juneau Yacht Club throughout the years has also provided a forum for discussion and member information. On its own initiative and at the request of government agencies and other groups, such as the Alaska Department of Fish and Game and the Juneau Harbor department, it offers comments, advice and suggestions on boating, marine parks, harbor, and sport fishing issues.

Juneau Youth Sailing has also found a home at the Juneau Yacht Club. JYS is a volunteer, non-profit sailing educational program offering week-long summer classes for ages 10 and up, for all experience levels. See more information at: juneauyouthsailing.org.

The Juneau Yacht Club currently has over 170 members comprising people interested in sail, power and row/paddle boats and is growing.
